If I have understood  
Oh, Lord, You love me  
In spite of who I am  
Or what I have done  
As You wrap Your arms around me  
I can't believe You've found me  
Lord, I'm beginning to understand  
Just how much You love me

If I have understood  
Oh, Lord, Your love never wavers  
Though I'm not loving and I speak a harsh word  
As You run to meet me where I am  
You'll reach out Your forgiving hand  
Oh, Lord, I'm beginning to understand  
Just how much You love me.

I ran to the cross  
I knelt at Your feet  
I received all You wanted for me  
I ran to the cross  
I knelt at Your feet  
Jesus, You met my every need  
Yes, You did

If I have understood  
Oh, Lord, You'll never forsake me  
When the world turns away  
And no one calls me friend  
As You stand beside me and lead the way  
You protect me from those who have gone astray  
Oh, Lord, I'm beginning to understand  
Just how much You love me

I ran to the cross  
I knelt at Your feet  
I received all You wanted for me  
I ran to the cross  
I knelt at Your feet  
Jesus, You gave me victory
