

I'm Working My Plan

I'm working my plan
My child, calm your fears
I'm working my plan
Dear one, dry your tears
I am the Alpha and the Omega
The Beginning and the End
I'm working my plan
You don't have to understand

I'm moving on the earth
My lamb, trust in me
I'm moving on the earth
Faithful one, have eyes to see
I am the Healer and the Provider
The Redeemer and the Friend
I'm moving on the earth
You don't have to understand

I'm winning the lost
Surrendered one, walk in my will
I'm winning the lost
Found one, your heart be filled
You are my children and my ambassadors
You are my pride and joy
I'm winning the lost
You don't have to understand

Just know one thing
Before I can come back for you
Just know one thing
There's so much for me to do
I am the Alpha and the Omega
The Beginning and the End
I'm working my plan
I am the Great I Am

I am the Alpha and the Omega
The Beginning and the End
I'm working My plan
I am the Great I Am
